

SMART-WASH EXTRACTORS

EFFICIENT. DURABLE. SMART.

The **Smart-Wash** line of extractors delivers the ultimate solution for cleaning and decontaminating turnout gear and apparel. Built with rugged construction and world-class components, these extractors ensure long-lasting durability and top-tier efficiency.

- **Easy Loading & Unloading:** A wide-swing, large loading door and conical drum face make handling gear effortless.
- **Versatile Detergent Options:** A convenient front-load, multi-dispenser accommodates both powder and liquid detergents.
- **Intelligent Operation:** Quickly set up or copy wash and chemical programs using built-in USB port.
- **Smart Monitoring:** An indicator light provides an instant overview of machine status at a glance.
- **Smart-Wash Extractors:** Engineered for performance, designed for simplicity.

SMART-WASH EXTRACTORS FEATURES

- **NFPA 1851 Compliant** - Soft-Mount, High-Spin Washer
- **Compact Space-Saving Design**
- **Easy Loading & Unloading** - Large doors open up to 180°
- **Versatile Detergent Options** - Choice of liquid or powder detergent:
 - 5-compartment dispenser (SW40, SW53, SW62)
 - 6-compartment dispenser (SW88)
- **Automatic Soap Injector Compatible** - Standard-equipped for precision dispensing
- **Durable Stainless Steel Construction** - Drum, tub, and front panel
- **Ceramic-Coated Shaft** - Reduces friction for extended lifespan
- **Advanced 7" Color Display** - User-friendly programmable control for seamless operation
- **USB Connectivity** - Quick data transfer and editing on simple .csv format
- **On-Screen Troubleshooting Guide** - Illustrations for easy diagnostics
- **Clear Status Light Indicators** - Quick visual management at a glance
- **Large 3" Drain Valve** - Fast evacuation for shorter cycles
- **Double Glass Protection** - Plexi shield for heat resistance
- **Accelerometer for Perfect Balancing** - Ensures stable performance
- **High-Flow Inlet Valves** - Faster water filling
- **Includes Water inlet and steam inlet hoses**

SMART-WASH EXTRACTORS TECHNICAL SPECIFICATIONS
