

DECON READY® USAGE INSTRUCTIONS

IMPORTANT: For use in commercial extractor washers and PPE laundry systems. Always follow equipment manufacturer instructions and turnout gear cleaning requirements. Refer to NFPA 1850 guidelines for proper care and maintenance of protective ensembles.

LOAD SIZE & DOSING GUIDELINES:

Use the following as a general starting point:

20–30 lbs: 2 oz	30–40 lbs: 3 oz	40–60 lbs: 5 oz
-----------------	-----------------	-----------------

Adjust dosage based on soil level, contamination severity, and equipment specifications.

WASH PROCEDURE:

1. Separate liners from outer shells when applicable.
2. Pre-rinse heavily soiled gear to remove loose debris.
3. Load gear according to washer capacity guidelines.
4. Add DECON Ready PPE Laundry Detergent as directed.
5. Wash using manufacturer-recommended temperature settings.
6. Complete full wash cycle followed by rinse cycles.
(For heavily soiled gear, additional wash cycles may be required.)

HANDLING & POST-CLEANING: After handling contaminated gear, wash hands and exposed skin. Clean washer drum periodically to prevent buildup from repeated use.

STORAGE: Store in a cool, dry location. Do not allow product to freeze. Keep container tightly sealed when not in use.

WARNING: Avoid eye contact. Wear eye protection during handling. In case of eye contact rinse with water. Avoid prolonged skin exposure. If irritation develops discontinue use.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS: Pre-clean heavily soiled areas by removing loose debris, mud, and visible buildup. Apply product directly to the surface or apply using a cloth, sponge, or soft brush. Spray evenly across the surface and wipe thoroughly to lift soils and residues. For areas with heavy buildup, allow the product to remain on the surface briefly before wiping. Repeat application if necessary until the surface is visibly clean. Rinse surfaces with water if desired and allow to air dry. Follow manufacturer recommendations when cleaning specialized equipment or materials.

HANDLING: After cleaning equipment or contaminated surfaces, wash hands, face, neck, and other exposed skin.

STORAGE: Store in a cool, dry place. Do not allow product to freeze. Keep container tightly closed when not in use.

WARNING: Avoid contact with eyes. In case of eye contact, rinse thoroughly with water. Eye protection when using this product is recommended. Avoid Inhalation. Inhalation of fumes, especially in poorly ventilated areas, can lead to respiratory irritation, particularly in individuals with asthma or other conditions. A mask can be worn to mitigate this risk.

DECON READY® USAGE INSTRUCTIONS

DIRECTIONS: Apply 1–2 pumps to dry hands. Rub thoroughly across all surfaces of hands and fingers until fully absorbed. Use additional product as needed. No rinsing required.

FOR BEST RESULTS: Wipe hands with a clean towel. Follow preliminary decontamination with thorough cleansing when water is available.

IMPORTANT: Routine hand and skin cleaning after contact with contaminated gear or surfaces helps reduce the transfer of toxic residues to skin, equipment, and living areas.

STORAGE: Store in a cool, dry location. Do not allow product to freeze. Keep container closed when not in use.

WARNING: For external use only. Avoid contact with eyes. In case of eye contact, rinse thoroughly with water. Discontinue use if irritation develops.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS: Apply to wet hands or skin. Work into a rich foam using hands or a washcloth. Thoroughly wash hands, fingers, nails, and exposed skin areas. Rinse completely with clean water. Repeat as needed, especially after exposure to soot, dirt, or contaminated equipment.

STORAGE: Store in a cool, dry location. Do not allow product to freeze. Keep container closed when not in use.

WARNING: For external use only. Avoid contact with eyes. In case of eye contact, rinse thoroughly with water. Discontinue use if irritation develops.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS: Apply to wet hair and massage thoroughly into scalp and hair, focusing on odor-prone areas. Rinse completely. Repeat as needed.

STORAGE: Store at room temperature, away from direct sunlight. Do not allow product to freeze. Keep container tightly sealed when not in use.

WARNING: Irritant. May cause eye irritation. Avoid contact with eyes. In case of eye contact, rinse thoroughly with water.
